65 ANGUS BULLS | 150 BRED HEIFERS

First of all, we want to thank all of our customers and friends who have supported our program through the years, stood with us through all the challenges of agriculture and life. It is your support and loyalty that keep us in business. We want to welcome you to our Roundup MT December Sale and are confident you will find bulls to move your program forward.

We have been blessed in many ways with great friends, customers, and family. This last year or two has certainly made us all realize just how important these people are and what priorities really are. Our family continues to grow with Tyler & Rebeca's welcoming of Jesse Tyler on June 17th. Grandkids are our highlight. Lots of bleacher time ahead I am sure.

We strive for a type of animal that will excel in any environment and we continue with our philosophy of breeding for balanced traits. Our cowherd is run the same as most ranches in Eastern Montana. They are cared for but never pampered. They have to carve out a living in big country and use their own instincts to thrive and produce a live calf. I know that these traits are nearly impossible to measure but can only be enhanced by generations of making it happen. Bulls in the offering have been developed with longevity and usefulness in mind. They are up to date on vaccinations and the older bulls are semen tested and scrotals will be available sale day. The yearling bulls will be wintered at the ranch and a complete breeding soundness exam given next spring with a full guarantee.

Bulls will be available to view at the ranch in Roundup. Videos will be available on Frontier Live Sale as well as online bidding should you be unable to attend in person.

Hope to see you in Roundup on the 16th for the "Cattlemen's Roundup". For any questions, we can be reached at the phone numbers listed in the book. We would love to visit about the bulls.

Sincerely,

**Gary & Phyllis Eliasson
and Family**

In the course of life we all meet thousands of people in all kinds of settings. There are always a handful that due to their personality, honesty, and integrity that leave a lasting legacy. Every year our communities see several of these individuals move on to the next roundup. We would like to honor 2 such men.

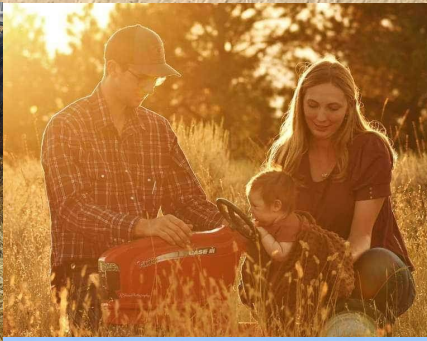

Tom Perry June 14, 1944 - October 10, 2023

Tom has helped us move and work cattle for many years on the ranch. He as a heroic veteran, great cowboy, and grandpa to Rebecca, Tyler & Jesse. God won't have to worry about Tom missing any pasture corners.

Raymond Ansotegui June 11, 1947—March 2, 2023

I first encountered Ray on my first day at MSU. Over the next years he was my teacher, advisor, and livestock judging coach for Phyllis and I. We traveled far and near. We worked cattle on MSU ranches and in Deer Lodge perfecting some of the first synchronizing programs in the cattle business. He was one of the smartest men I have known with a no turning back attitude but yet a very caring heart. One of the finest for sure.
